

The Tayside and Fife Archaeological Committee is the area liason group which works to promote and protect the historic environment. TAFAC brings together individuals and organisations with a shared interest in conserving and recording the archaeology and built heritage of the area.

The papers in this volume include reports on excavations at Bertha Park in Perth, 100 North Street, St Andrews, a paper considering the benefits of pre-development building survey in rural Perthshire and elsewhere and a history and archaeology of goats in Scotland.
